## ASBESTOS YEARLY REPORT

Dear Parents/Staff Members:

An asbestos management plan for our facilities was developed and includes this notification letter, a set of plans and procedures designed to minimize the disturbance of the asbestos-containing material, and plans for regular surveillance of the asbestos-containing materials.

A copy of the asbestos management plan is available for your inspection in our administrative office during regular office hours.

We plan on taking whatever steps are necessary to insure your children and our employees have a healthy, safe environment in which to learn and work.
