

<b>BRITTON-HECLA SCHOOL DISTRICT</b>	<b>CCB</b>
<b>Policies</b>	

**LINES OF AUTHORITY AND STAFF RELATIONS**

The Board desires to foster open communication and an atmosphere of cooperative endeavor among all personnel. The business manager is directly responsible to the Board. All other personnel employed by the Board will be responsible to the Board through the superintendent.

Lines of responsibility and authority do not restrict in any way the cooperative, sensible collective working relationship of all people on all professional levels in order to develop the best possible school program. The established lines of authority represent direction of authority and responsibility in the implementation of policy. All personnel will have the right to appeal any decisions made by an administrative officer in accordance with the approved grievance procedures.

The Board policy is to emphasize cooperation and the establishment of an environment that is safe and comfortable for all in the school system.
