Britton-Hecla School District Meal Charge Policy

Federal Requirement

The purpose of this policy is to address the need for school food authorities (SFAs) participating in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) to institute and clearly communicate a meal charge policy, which would include, if applicable, the availability of alternate meals. Because all students in participating schools may receive reimbursable school meals, all SFAs must have a policy in place for children who are participating at the reduced price or paid rate, but either do not have money in their account or in hand to cover the cost of the meal at the time of service. Such a policy ensures that school food service professionals, school administrators, families, and students have a shared understanding of expectations in these situations.

You can find more information about this US Department of Agriculture (USDA) Food and Nutrition Service (FNS) requirement at: <https://www.fns.usda.gov/school-meals/unpaid-meal-charges>.

PURPOSE OF POLICY:

The purpose of this policy is to establish consistent meal account procedures throughout the district. Unpaid charges place a financial strain on the food service department. The goals of this standard of practice are:

- To treat all students with dignity in the serving line regarding meal accounts
- To support positive situations with district staff, district business policies, student and parent/guardian to the maximum extent possible
- To establish policies that are age appropriate
- To make clear the parent/guardian responsibility of meal payments
- To establish a consistent district policy regarding charges and collection of charges

SCOPE OF RESPONSIBILITY:

- The food service cashier, Business Manager, Assistant Business Manager: Responsible for maintaining charge records and notifying the student's parent/guardian.
- The Parent/Guardian: Immediate payment

ADMINISTRATION

1. Families are encouraged to apply for free and reduced price meal benefits. Applications are available in the school business office or on the school website under the Food Services tab. www.britton.k12.sd.us

2. Families are required to pre-pay for meals. Payments are accepted in the school business office daily on the day of service. Payments may also be made online at www.britton.k12.sd.us through the Campus link on the left, or mailed to PO Box 190, Britton, SD 57430.
3. Families will be notified of the school Unpaid Meal Charge Policy in writing before the school year begins and with each new transfer student. This policy will also be posted on the Food Service website.
4. **Elementary students:** Reminders are sent to parents twice per week via Campus Messenger once their child's balance falls below \$10. When a child's account becomes delinquent and the parent(s) have not contacted the school to set up a payment plan, the following consequences will be enforced.
 - Students whose balance remains below \$0 for 7 consecutive days will have their email account turned off until their account balance is replenished. (Grades 5-12)
 - Students whose balance remains below \$0 for 20 consecutive days will be offered an alternate meal in lieu of a hot meal until their account balance is replenished. Our alternate meal includes a sandwich, fruit, vegetable, and a milk and meets all nutrition requirements set in place by the USDA. The meal will be charged at the same rate.
 - All accounts past 60 days delinquent will be turned over to collections for payment.
 - If a child has money to purchase a reduced price or paid meal at the time of the meal service, the child must be provided a meal. SFAs may not use the child's money to repay previously unpaid charges if the child intended to use the money to purchase that day's meal.
