PROFESSIONAL STAFF DEVELOPMENT OPPORTUNITIES

Continuing professional growth and increasing effectiveness on the part of the entire staff is essential for the success of educational programs and school operations. The continual professional growth of all staff members on an individual basis and through planned in-service programs will be encouraged. Such opportunities may include, within budgetary limitations, special in-service courses and workshops, summer study grants, school visitations, and attendance at professional conferences and meetings.

The superintendent will work with other school districts, local colleges and universities, and the Division of Elementary and Secondary Education to provide in-service education for teachers. The Board will encourage the development of in-service education by:

1. Conducting district wide assessment of in-service education needs.
2. Ranking in-service education needs in relation to district goals.
3. Developing criteria for effective in-service education activities.
4. Developing travel and professional leave policies in cooperation with teachers.
5. Developing a calendar that includes days for in-service education.
6. Developing cooperative relationships with agencies that provide in-service education.
7. Allowing staff to have input regarding in-service agendas and activities.
8. Identifying resources for in-service education.
9. Assessing the effectiveness of in-service education activities in relation to district goals.

In recognition of, and as an incentive to, professional development, the salary schedules for non-unit professional personnel will reflect advanced training. In-service courses, as well as university work in the non-unit professional staff member's area of specialization, will be recognized for purposes of salary advancement.

The superintendent will have authority to approve release time for conferences and visitations, and reimbursements for expenses, provided such activities are within budget allocations. The Board may authorize without loss of pay, teacher attendance at an annual professional association meeting if the teacher is not away from his regular duties for more than three consecutive days.
