## Active Positive COVID-19 Cases

This page has been created to provide a single source of information and updates concerning positive virus cases within the Britton-Hecla School District. The information provided is based on current credible information that has been communicated to the District. Any confirmed student or staff "close contact" associated with a positive case reported to us have already been "Quarantined" by the District, the South Dakota Department of Health, or Local/State Health Care Professionals.

**\*\*\*Due to HIPPA law we cannot provide the identity of staff or students.**

\*\* A positive case is considered active for a minimum of ten days after system onset.

Please Note: As local cases continue to rise in our community, it is imperative that we monitor our kids daily for illness and keep them home if any symptoms are present. The District strongly recommends the use of face coverings as a means of slowing the spread.
