

Dear Parents,

In the past, the Britton Hecla School has given Funtastic Club the money from the Box Tops for Education program. We have received over \$800 for our program to use to buy games, books, and art supplies. This is a great way to fund our program without having to do other fund raising projects.

The Box Tops program is undergoing some changes. Right now you can still cut and send the box tops to school for us to count and send in, but soon it will go to the Box Top for Education app. You will need to down load the Box Tops for Education app on your phone. Follow the directions to scan the receipts. Once you scan your receipts, it will automatically go into the Britton Hecla School's account. I have done this. It is simple to do. You can scan any receipt and it will automatically find the products on the receipt that are Box Top eligible. The app will then show you how much will be donated to Britton Hecla School.

If you have any paper box tops at home, please send them to school. I need to send the paper box tops in by the end of Oct. You can start scanning your receipts now if you see the "Scan Your Receipt" on a product where the paper box top used to be located.

If you have any questions about this change, please ask Renee or me to see if we can help you. Thanks for your support to Funtastic Club with this fund raising project.

Sincerely,
Carol Beck
